

*Hello*

**We're**

**CRA**

# Welcome to CAMERARReadyArt

**CAMERARReadyArt** is a full service **Digital Art, Design and Web Solutions Company.**

We pioneered the online vector art concept and we're the first company to offer this service outside of vendor art departments.

CAMERARReadyArt helps **distributors, suppliers and end users** within the promotional product industry with its **awesome service and skilled artists.** Our benefit to customers is our ability to convert problematic artwork into useable artwork in a timely and cost effective manner.
